About this Publication:

The South African Provincial Legislation Library, originally based on the consolidated Ordinances as published by Juta and Lex Patria, was expanded and enhanced to form a new comprehensive and authoritative provincial legislation service. This publication provides a full legislation service including the full text of Ordinances, new provincial laws, Regulations and assigned Acts of Parliament. Each provincial database can be subscribed to separately.

Contents Include:

- The Acts of the provincial legislature
- Regulations made in terms of these Acts
- Provincial Ordinances and Regulations
- Acts or extracts from Acts of Parliament assigned to the individual provinces for administration
- Full details of the assignment of the administration of Ordinances and Acts of Parliament to the respective provinces
